

We are one of the promising manufacturers, suppliers and exporters of an extensive range of **Bearings**. Owing to high quality, our range is highly demanded in refrigeration, automobile & electronic industries and home appliances.

Established in the year **1996** at **Rajkot, Gujarat**, we, “**Patson Bearing Co.**”, are counted amongst the prominent manufacturers, suppliers and exporters of a wide assortment of **Bearings**. Our range includes **Needle Bearings, Steering Bearings, Cylindrical Bearings, Four Point Contact Bearings, Clutch Bearings, Ball Bearings, Taper Roller Bearings and Taper Thrust Bearings**. It is in great demand amongst our clients due to its long service life, shock resistance and low maintenance.

Our state-of-the-art infrastructure is installed sophisticated machining facilities, which helps us in efficiently meeting the growing & application requirements of electronic, engineering, refrigeration and allied industries. Our team of professionals also keeps them updated with latest technology advancements & details provided by the clients and accordingly helps us in developing our range in accordance with the same. We follow a stringent quality policy to ensure that our range is free from any kind of manufacturing defect. In addition this, we facilitate our clients by providing them with the facility of after sales service. Due to our effective dealership network, we have been able to garner a huge clientele across the globe specifically in **Indian Subcontinent**.

Our mentor, ‘**Mr. Rohit Bhai**’, holds wide industry experience and in-depth knowledge in this domain.
